

# CARNIESES

## AN IMPULS

Elegance for lightweight fabrics or durability despite heavy hangings: wooden curtain rails are in vogue of the times. Simple, elegant and discreet in appearance, they set new accents in home design.

| Mounting                    | Aperture colour                | Aperture height                                                    | Lateral closure                     |
|-----------------------------|--------------------------------|--------------------------------------------------------------------|-------------------------------------|
| wall mounting               | Old brushed spruce             |                                                                    | Side cover on both sides (standard) |
| Ceiling mount (pre-drilled) | lacquered spruce               |                                                                    |                                     |
|                             | Waxed spruce                   | 65 mm (standard) - up to 120 mm on request (for an additional fee) | no side covers                      |
|                             | Waxed spruce                   |                                                                    | Left side cover                     |
|                             | Spruce lacquered with branches |                                                                    | Right side cover                    |
|                             | Brushed spruce                 |                                                                    |                                     |
|                             | Painted alder                  |                                                                    |                                     |
|                             | Waxed alder                    |                                                                    |                                     |
