

# CARNIESES

## A79 LIVO

Elegance for lightweight fabrics or durability despite heavy hangings: wooden curtain rails are in vogue of the times. Simple, elegant and discreet in appearance, they set new accents in home design.

Mounting	Aperture colour	Aperture height	floating optics
Wall mounting with screw pin - cover above (standard)	Satin nut tree branches	80mm	free-standing (standard)
Ceiling mounting - rail board and panel flush at the top	oak whitewashed oak heartbeech white (RAL 1016)		Single-sided wall connection (left or right on request) from wall to wall
