

# CARNIESES

## A61 AURA

Elegance for lightweight fabrics or durability despite heavy hangings: wooden curtain rails are in vogue of the times. Simple, elegant and discreet in appearance, they set new accents in home design.

| Mounting  | Aperture colour                 | Aperture height   | Floating optics  |
|---|---------------------------------|---|--|
| Wall mounting (panel extending above)<br><br>Ceiling mounting - pre-drilled (rail board and panel flush at the top) | oak (lightly brushed and oiled) | 70-100 mm (depending on the edge of the forest - irregular) | freestanding<br><br>Wall connection left or right<br><br>from wall to wall |
