

CARNIESES

A61 AURA

Elegance for lightweight fabrics or durability despite heavy hangings: wooden curtain rails are in vogue of the times. Simple, elegant and discreet in appearance, they set new accents in home design.

Mounting	Aperture colour	Aperture height	Floating optics
Wall mounting (panel extending above) Ceiling mounting - pre-drilled (rail board and panel flush at the top)	oak (lightly brushed and oiled)	70-100 mm (depending on the edge of the forest - irregular)	freestanding Wall connection left or right from wall to wall
